Although state law takes precedence over these guidelines, it is important that ADHA constituents not be in conflict with the bylaws of the parent organization.

We have developed Standardized Constituent Model Bylaws to assist states in complying with national bylaws. The Model Bylaws reflect compliance with ADHA national bylaws. Please check the related box to indicate “yes” - the Constituent is in compliance with the guidelines.

<td>1 Constituents are governed by the not-for-profit corporation laws of the state in which they are incorporated. As such, prior to adopting or revising its bylaws, a constituent should consult the laws of the state under which it is incorporated. In most cases, these laws are governed by the Secretary of State or Commonwealth and information may be found on their respective websites.</td>

Regarding Article I, Name and Purposes, a constituent may individualize its bylaws to reflect its purposes and mission, providing they are not in conflict with the purposes and mission of ADHA. The purposes of the constituent must be focused on the state association. Goals do not necessarily have to be included in the bylaws. If they are, it is logical for constituent goals to reflect the nature of a state organization.

Following is Article I in the Constituent Model Bylaws for reference:

**ARTICLE I**

**NAME AND PURPOSES**

**Section 1. Name.** The name of this corporation shall be the (insert name) (hereinafter referred to as the “Association”), an (insert state) not-for-profit corporation.

**Section 2. Purpose.** In addition to the purposes set forth in the Association’s Articles of Incorporation, as may be amended, the purposes of the Association are to (insert purpose); and to conduct other activities as may be permitted by the State of (insert state) to carry out the purposes of this association.

**Section 3. Mission.** (insert mission)

**Section 4. Offices.** The Association shall have and continuously maintain in the State of (insert state) a registered office and a registered agent whose office is identical with that registered office and may have such other offices, within or without the State of (insert state), as the Board of Trustees may determine.

*Are the purposes and mission of Constituent bylaws complementary to ADHA and NOT in conflict with ADHA bylaws?*
Voting and non-voting membership categories must be identical to ADHA’s, with the exception of Life Membership. In some cases, a state may have granted an individual life membership. However, that individual may not be a life member of ADHA and be required to pay national dues. In other cases, such as in past ADHA Presidents, a member may have life membership on the national level but not on the state level.

If a dental hygienist meets the criteria for any one of the voting membership categories, that dental hygienist cannot be placed in a non-voting category. Privileges of membership may be adapted to the constituent. The remaining sections in this article should mirror the intent of those of ADHA, with the addition that the constituent should also be notified of a member’s resignation. It is understood that constituents may establish the amount of dues for their state association.

Following is Article II in the Constituent Model Bylaws for reference:

**ARTICLE II**

**MEMBERSHIP**

**Section 1. Membership Qualifications.** Membership may be granted to any individual who: (i) meets the criteria set forth for each category of membership in the Association; (ii) shares interest in and supports the purposes of the Association; (iii) abides by these Bylaws, the Association’s Code of Ethics for Dental Hygienists, and such other policies, rules, and regulations as the Association may adopt; and (iv) meets such additional criteria for each category of membership in the Association as the House of Delegates may establish.

**Section 2. Membership Categories.** The membership of the Association shall be composed of the following categories:

a. Voting Members

1. Professional Members. Professional membership may be granted to any individual who (i) has either earned a certificate or professional degree in
dental hygiene granted pursuant to a dental hygiene program offered by an accredited college or institution of higher education, or is licensed to practice dental hygiene in the United States under the provision of a "grandfather clause"; and (ii) is licensed to practice in any state, territory or possession of the United States if such license is required for the practice of dental hygiene; and (iii) agrees to maintain membership in a Constituent as well as a Component (if such exist where the member is licensed, practices or resides).

2. Senior Status. Professional members who have reached the full retirement age as set by the Social Security Administration and have either been a Professional member of the Association for an aggregate total of thirty (30) years, or twenty-five (25) consecutive years may apply for Senior status.

3. Members with Disabilities. Professional members who are unable to work due to a verified disability may apply for Disabled status. All such applications must be verified by such member’s Constituent and/or Component, and must be accompanied by proof of eligibility each year.

4. Life Members. Life membership may be granted by the (insert governing body, i.e.: House of Delegates) to any Professional member who (insert criteria); and meets such other criteria as determined by the (insert governing body) from time to time.

b. Non-voting Members

1. International Members. International membership may be granted to any individual who (i) resides outside of the United States; and (ii) holds a valid license to practice as a dental hygienist.

2. Student Members. Student membership may be granted to any student (i) currently enrolled in an accredited dental hygiene program; or (ii) who has graduated from an accredited dental hygiene program and is currently
pursuing a baccalaureate or graduate degree complementary to a career
in dental hygiene in an accredited college or institution of higher
education.

3. Supporting Members. Supporting membership may be granted to any
licensed dental hygienist who (i) is not employed in a dental hygiene-
related career; and (ii) agrees to maintain membership in a Constituent as
well as a Component (if such exist where the member is licensed or
resides).

4. Honorary Members. Honorary membership may be granted by the House
of Delegates to any individual who (i) is not a dental hygienist; (ii) has
made outstanding contributions to dental hygiene or dental health; and
(iii) has been nominated by the Board of Trustees.

5. Allied Members. Allied membership may be granted to any individual who
supports the purposes and mission of the Association and who is not
otherwise qualified for any other class of membership.

6. Corporate Members. Corporate membership may be granted to any
corporation, partnership, institution or organization that supports the
Association’s mission.

Section 3. Rights and Duties.

a. All members shall be entitled to attend the member meetings and social functions
of the Association.

b. Only Voting Members may vote for the election of delegates to the House of
Delegates, hold office in the Association, its constituents and components and
serve on the Board of Trustees (add if applicable: and House of Delegates).
Notwithstanding anything set forth to the contrary herein, the voting members’
right to vote is specifically limited to elections of Delegates, and no other matter.
Each eligible voting member shall have one (1) vote in the election of delegates.
| c. | No individual member of the Association shall have the right to vote, without limitation, on the amendment of the Association’s Articles of Incorporation, the merger or dissolution of the Association, or the amendment of its Bylaws. |

Disciplinary action may be taken provided that a statement of the charges shall have been sent by certified mail to the last recorded address of the member at least fifteen (15) days before final action is to be taken. This statement shall be accompanied by a notice of the time and place of the meeting at which the charges shall be considered, and the member shall have the opportunity to appear in person and/or to be represented by counsel and to present any defense to such charges before action is taken by the Association. Such disciplinary actions shall be conducted in accordance with procedures established by the (insert governing body). [Note: before initiating suspension or termination proceedings, it is highly advisable to consult legal
counsel to determine the lawfulness of the grounds for seeking suspension or termination and also to obtain advice regarding the requirements for a “due process” proceeding.]

**Section 5.** Reinstatement. Members who have resigned or whose membership has been terminated for non-payment of dues or assessments may be reinstated upon (i) payment of dues and any assessments; (ii) application to the appropriate Constituent or to the Board of Trustees; and (iii) meeting such additional terms and conditions as may be established by the Board of Trustees.

Are the voting and non-voting membership categories (Section 2., a-b) identical to the ADHA Constituent Model Bylaws and do the remaining Sections mirror the ADHA bylaws?

4 It’s important to note that in Article IX, Committees/Councils/Task Forces, constituents do not have to list the committees in their bylaws, but if they do, it’s important to detail their respective responsibilities as they vary from committee to committee. For example, a Constituent may not have a Finance Committee because their Executive Committee handles financial responsibilities.

If committees are listed in the bylaws, are all related responsibilities listed in the constituent bylaws as well?
Regarding Article X, Components, this should mirror the language set forth in the guidelines. Constituents charter and have responsibility for Components, as national does for Constituents.

Following is Article X, Section 1, of the Constituent Model Bylaws for reference:

**ARTICLE X**

**COMPONENTS (Incorporated and Unincorporated)**

**Section 1.** Tripartite. The American Dental Hygienists’ Association (ADHA) is a tripartite organization. Voting and Supporting members must maintain an active membership in ADHA, a Constituent and an Incorporated or Unincorporated Component (if such exist where the member is licensed, practices or resides).

a. Incorporated and Unincorporated Components. Voting members of the Association who are licensed, practicing or residing within a particular state, commonwealth, federal district, territory or possession of the United States may be organized as an Incorporated or Unincorporated Component of the Association (each of which is referred to as a “Component”). The (insert governing body) may authorize the establishment of Incorporated or Unincorporated Components which shall (i) be organized and operated in accordance with these Bylaws, and such additional rules and policies as may be adopted by the (insert governing body) from time to time; (ii) fulfill criteria for affiliation as may be established by the (insert governing body) from time to time; (iii) enter into Incorporated or Unincorporated Component agreements with the Association; and (iv) be issued a charter. The name, geographic boundaries and other requirements for Incorporated or Unincorporated Components shall be subject to approval of the ADHA and such rules and policies as may be adopted by the ADHA and the constituent board from time to time.

b. Application for Recognition as an Incorporated or Unincorporated Component. The Board of Trustees, or its designee(s), shall adopt an application form and procedures to facilitate the consideration of applicants seeking to be organized as an Incorporated or Unincorporated Component of the Association. All applicants
must complete the application form and submit the application, along with the designated fee, if any, to the administrative office or (insert governing body) of the Association. The Board of Trustees, or its designee(s), shall review the application of all applicants and determine, based on the criteria set forth in these Bylaws and such other guidelines as the Board of Trustees may prescribe, if applicants meet the qualifications necessary for recognition as an Incorporated or Unincorporated Component.

c. Revocation. Charters for the operation of Incorporated and Unincorporated Components may be revoked by the (insert governing body) at any time and in such manner and after such investigation as the (insert governing body) may deem necessary. Upon revocation of an Incorporated or Unincorporated Component’s charter, the Incorporated Component immediately shall remit all of its funds and records to the Association’s (insert officer position).

c1. Due notice shall be given by the (insert governing body) to the Incorporated or Unincorporated Component in question, and reasonable opportunity shall be allowed for the Incorporated or Unincorporated Component to meet the requirements or correct infractions before final action is taken to revoke the charter.

d. Name. No Incorporated or Unincorporated Component or other entity shall use the name of the ADHA or the Association in any manner whatsoever unless duly authorized to do so by the ADHA or the Association (as applicable) pursuant to the terms of a written agreement.

e. Organization. Each Incorporated Component shall have a Board of Directors, officers and bylaws in such form as shall be approved by the Association’s Board of Trustees. Incorporated Components must maintain voting membership categories and criteria that are identical to the Association’s (with the exception of Life membership). Changes to an Incorporated Component’s bylaws must receive the written approval of the Association’s Board of Trustees.

f. Meetings. Each Incorporated and Unincorporated Component may hold such
meetings as it deems appropriate.

g. Choice of Incorporated or Unincorporated Component. Members may belong to only one Incorporated or Unincorporated Component, and may join the Incorporated or Unincorporated Component of their choice based on where they reside, practice or hold a license.

h. Transfers. A member of an Incorporated or Unincorporated Component may transfer to another Incorporated or Unincorporated Component by written request addressed to the central office of ADHA. The central office of ADHA shall affect the transfer and promptly shall notify the effected Incorporated or Unincorporated Components. Full membership privileges shall be granted to the transferring member in the new Incorporated or Unincorporated Component, and a credit for the full amount of any dues paid to the previous Incorporated or Unincorporated Component shall be applied to the dues in new Incorporated or Unincorporated Component.

Does the section related to Incorporated or Unincorporated Components in the Constituent bylaws mirror the ADHA bylaws?

6 Regarding Article XVI, Amendments, this should be similar to that of ADHA, but notice of intent, etc., should be submitted to the constituent or component president or executive director and the time frame can be suited to the constituent in accordance with applicable state law.

Following is Article XVI for reference:

| ARTICLE XVI |
| AMENDMENTS |
| (Insert as applicable) |

Section 1. Proposed Amendments. The Board of Trustees, the House of Delegates,
Constituents, Components or any voting member of the Association may propose amendments, in whole or in part, to these Bylaws and Code of Ethics. The Board of Trustees shall provide recommendations for all proposed amendments before the first meeting of the House of Delegates.

**Section 2. Approval of Amendments.** Proposed amendments of these Bylaws and Code of Ethics shall be forwarded to the House of Delegates for consideration. Approval of such proposals shall require the act of two-thirds (2/3) of the entire House of Delegates at a duly called session of the House of Delegates.

**Section 3. Notice.** Notice of intent to amend these Bylaws must be (i) sent to all Delegates by mail or electronic communication or (ii) published in print or online and circulated to the entire membership; or (iii) published on the Association’s website at least thirty (30) days prior to the session of the House of Delegates at which such amendments are to be considered. Such notice must include a general description of the proposed amendments.
